Blackfriars Display Varied Talents

Miller's "All My Sons" was the first full-length production of the Blackfriars in the fall semester on campus. The cast achieved a high standard of quality in this dramatic three act play which afforded them the opportunity to demonstrate their many abilities.

This year saw the movement of the Blackfriars' workshop into a new area of the old Eagloo where scenery could easily be constructed for production. Here they also had the chance to conduct workshops in make-up and scene building.

Not only did the 75 members participate in the Inter-Collegiate Drama Festival in Jackson's Mill this spring, but they also hosted the High School One-Act Drama Festival in March. Earlier in the year "Glory in the Flower" was presented in an all school assembly; in addition the Blackfriars presented the Student Variety Shows.

An original one-act play as well as a three act comedy were presented to the student body this semester under the direction of Mrs. Virginia Gray, Blackfriars' advisor.

Under the direction of Miss Lucina Keane, the Guild this year sponsored the famed Grant Reynard on campus—his eighth visit to Morris Harvey.

The Art Guild also provides an opportunity to do creative work informally as a recreational resource for interested students.

Debate Club Sponsors Tournament

Fifteen colleges and universities from five states participated in Morris Harvey's annual Debate Tournament giving students the chance to become

more effective and articulate speakers. The ten representatives of M.H.C. also made trips to debate in other states during the year.

Checkmate! Cries Judy

Judy Stephenson is the only girl in school who can say "Checkmate" with finesse for she is the only girl on Morris Harvey's champion Chess team.

Under Dr. Darbes, the Chess Club provides an opportunity for students to exercise their minds in a contemplative game of chess. Throughout the year the Chess Club hosts matches in addition to participating in several state-wide tournaments.

Vietnam Question Debated

With the Vietnam crisis so often in the news, there is no question why the debate on U.S. involvement in Southeast Asia presented by the International Relations Club was such a success. Only one of several problem discussions sponsored by these political science majors, this debate was by far the highlight of the year.

Guest speakers, films, dinners and exhibits all play a major part in achieving the club's goal of promoting better relations between American culture and those of other nations, as well as a better understanding of current world problems facing our generation.

Circle K Hosts Christmas

In one of several service projects to the people of Charleston, members of the Circle K Club entertained children in the A.A.Y. program with a Christmas party after a tutoring session.

Other service projects throughout the year saw members planting rhododendron trees at Sunrise, ushering movies in the M.H.C. auditorium, and sponsoring a Battle of the Bands to raise money

for projects carried out with the children of Elk Two-Mile.

From April 7 to April 9 the Circle K also hosted the West Virginia District Conference highlighting keynote speakers from Circle K International, Kiwanis International, and members of both city and state governments.

on Campus Individuals

While Sue McEwing helps Underclassmen editor Nancy Schnitzius sort pictures, Faculty editor Mary Frances Doss and Traditions editor Carole Placek discuss Morris Harvey's past.

The 1967 Harveyan is focused on you—people—people as described by Barbara Streisand. People who need other people. People who act as children now and then. People in love—the special people. There is a feeling that tells you that you are a part of this school, Morris Harvey College, that you belong with these people, and that you are one of the luckiest people in the world because you are aware of all this.

We hope that the 1967 Harveyan conveys this message to each of you as you look through these pages. Memories of happy times as well as sad are recorded in the pictures—pictures of you—people. Memories to be cherished of your days at Morris Harvey.

College Activities Dependent

Numerous school events depend upon the Student Government Association's continuous service to all collegiates. The planning of all school social functions must be calendared by the S.G.A.

The activities of the S.G.A. this year were quite numerous beginning with an all school mix, Freshman orientation, conduction of Freshman elections, the Thanksgiving Vacation Blast-Off, transportation to and from the basketball games, the May Day sing, and other all-school events. The selection of the most typical Freshmen and students of the month are also duties carried out by the S.G.A.

Mike Lanzilotta, this year's president, set up several committees in order to further campus functions in conjunction with the student government policy. Among the committees that were activated are the Student Activities Committee, which has charge of all Geary Student Union functions, and the Student Opinion Poll Committee, which explored the problems presented it by the students. All in all the success of the present school year is owed to the perseverance of the S.G.A.

Student Opinion Poll takers check off another viewpoint offered them by M.H.C. students. Members of the Poll include B. Avolese, B. Kusic, R. Buckalew, K. Warren, and D. Hughes.

Morris Harvey's Panhellenic Council not only acquaints freshmen women with the different sororities on campus, but also presents a complete picture of sisterhood to the whole student body. The Council is essential in maintaining friendly inter-sorority relationships as well as high social and scholastic standards.

Through a freshman welcome party, an all-Greek women's Christmas party, a tea for both fall and spring rush, a council meeting for all rushees, an acting forum for all questions pertaining to the sororities, and Greek Week, the Panhell strives to accomplish its objectives.

This year's officers include: Kathy Falgitano—Secretary, Jan Kessler—Vice-President, and Ann Robinson—President.

Alpha Omicron Pi

"A friend is someone who divides troubles and multiplies joys . . ."

Friendship in Alpha Omicron Pi is something that cannot be valued too highly. Sisterhood, loyalty, community service, and scholarship all contribute to making Alpha Omicron Pi an asset to Morris Harvey College.

Each fall the sorority sponsors a style show featuring fashions for both guys and gals. The fall dance usually has as its theme days in Dogpatch while the spring dance is centered on red roses, the symbol of friendship. During rush the sisters host the traditional Hawaiian Luau.

Donations to the Frontier Nursing Program is the sorority's main philanthropic project.

On campus the sisters of Alpha Omicron Pi are active in a wide variety of clubs.

Alpha Omicron Pi officers are: President Margaret Guinan, Corresponding Secretary Diane Sirlin, Treasurer Kay Gladwell, and Recording Secretary Julie Miller.

The most significant event of the year for the Gamma Mu Chapter of Alpha Sigma Phi was receiving the Grand Senior President's award from the Alpha Sigma Phi National Office. This award distinguishes Morris Harvey's chapter as the one which best embodies the ideals and purposes of Alpha Sigma Phi.

This seemed to be the year for awards for Gamma Mu Chapter as it also received the Dean's Scholarship Trophy, the Intramural Sports Trophy, the May Day Sing Trophy, and the first Greek Week Trophy. Gamma Mu Chapter became the first chapter to receive the award for social service twice consecutively from the Alpha Sigma Phi National Organization.

Highlighting its social year is the traditional Black and White Formal. The Fall and Spring Weekends, the Christmas Dance, where Miss Kathy Warren was named Sweetheart of the Year, and other gatherings filled out the social calendar.

Friendship . . . Scholarship . . . Loyalty . . . Service . . . Achievement. These are just a few words that describe Alpha Xi Delta.

The sisters of Delta Pi Chapter take pride in all the trophies, honors, and awards they have received, but find greater rewards in the bond of sisterhood. Members have received recognition in Who's Who, Dean's List, Student Government, and many other phases of college life.

Some of the traditions of the sorority are the annual Christmas Dance, the Mother-Daughter Banquet, and sponsorship of a Korean War Orphan. The sisters also tutored children at the Union Mission during the month of November.

Would you believe an all girl band!

Delta Zeta Sorority fosters such qualities as scholarship, loyalty, and friendship among her sisters; however, the most important principles stressed are freedom and creativity.

The key to the success of the Meta Tau Chapter has been its continual growth. In the past few years the Delta Zeta Chapter has grown from a few members to what is now forty.

Delta Zeta sponsors many activities during each school year. These range from the annual Christmas Formal to working with retarded and blind children. The annual formal rush party is a Twilight Tea which is held each spring.

As all the other organizations on campus, Delta Zeta has done its share in furthering the progress of Morris Harvey College.

Donna Spurlock, Sigma Epsilon Phi's representative and winner of the Best Dressed Co-Ed Contest, is presented a Christmas present by Frank Matthews.

Sigma Epsilon Phi

The history of Sigma Epsilon Phi is not only of past deeds, but also includes the hopes and aspirations of young men working towards a goal of service to Morris Harvey and the community.

These young men were unofficially united in the spring of 1965 by a common desire to meet the challenges of an ever-expanding college's needs. Months went by and the organization grew stronger as the men became more diligent in the fulfillment of their purpose. A petition was filed and recognition by Morris Harvey was achieved, making Sigma Epsilon Phi a local fraternity.

Now the hopes of these young men extend toward nationalizing their chapter. Plans for this are in the workings and should be realized in the near future. At that time, aided by the national organization, Sigma Epsilon Phi will be able to devote full-time toward their initial goal of service.

Tau Kappa Epsilon

Tau Kappa Epsilon at Morris Harvey College is a fraternity that holds personal worth and character of its members above wealth and achievement.

Each year the chapter sponsors the Playboy Dance, the largest dance open to the entire student body. At this dance, the TKE Playmate for the year, chosen by the editor of Playboy Magazine, is announced. This year's Playmate is Carol Yasgur. As another annual event the members have a Christmas Party for the children in Charleston General Hospital. At the formal Christmas Dance, the Sweetheart is announced.

The fraternity also participates in many activities with brother West Virginia Chapters, such as a Leadership Conference. The chapter also has an annual retreat for the members at Camp Gallahad in the fall.

Highlighting the school year, the brothers have their Spring Weekend and a Farewell Dance.

As a community service, the TKEs aid in the projects at Sunrise.

Theta Ξ

The Xigus of Theta Xi Fraternity began the academic year with their highly publicized Xigoat. An unusually quaint animal, the mascot debuted at the beginning of the soccer season.

Each month the brothers sponsored one dance; the exceptions were the annual Christmas Dinner at Meadowbrook Country Club and the social eventless month of January.

The Christmas Dinner has become a tradition of the Kappa Zeta Chapter. Pinmates receive orchid corsages from Mr. John Young, and the sweetheart is named. This year Mrs. Linda Gross, wife of Brother Samuel Gross, received the usual arm bouquet of long-stemmed red roses and the honor of Theta Xi Sweetheart.

Brothers also participated in numerous civic projects. For example, 100 rhododendron bushes were planted at Sunrise Mansion and money was collected for the Kanawha County Muscular Dystrophy Association.

Another of the chapter traditions, the Spring Formal, closed a highly successful year for Theta Xi Fraternity in connection with the college and community.

ATHLETICS

Coach Clarke Herdic gives vital instructions to the Little Eagles during the M.H.C.-Wesleyan scoreless stand-off.

NEW GOLDEN EAGLES

No one person could honestly say that the 3-7-1 record the new Golden Eagle "Boosters" posted in their freshman season of Soccer was a direct indication of their performance on the field this fall.

The true success of Coach Clarke Herdic's squad was definitely not brought out in the won-lost column, but in the spirit, faith, and hard work which kept this team's morale continually at its peak. Supporting this fact even further was the selection of two players to the First All-West Virginia Conference Soccer Team, with Bob Holliday as goalie and Bill Jenack as halfback.

Four other members of the team had the distinction of playing their first and yet their last season for Morris Harvey. They were John Barclay, Roger Mello, John Marren, and Bob Ward. In addition, eight lettermen will return for action next season: Chick Ciccarelli, Jim Hovanic, Ed Pereira, Pete Meszaros, Joe Roskowski, Ed Sarluca, Bill Wood, and Bob Young. The 1967 season will be even more exciting and successful when the team hits the field this fall.

The new Little Golden Eagles born on Blackwell Field include:
Front row: J. Barclay, C. Ciccarelli, D. DeMaria, R. Mello, B. Holliday, B. Wood, R. Tesi, V. Longtin, E. Fulkes.
Back row: Coach C. Herdic, B. Young, R. Eulau, J. Starr, J. Roskowski, E. Pereira, B. Jenack, P. Meszaros, B. Ward, J. Marren, M. Sanford, E. Sarluca

Pereira and Marren await rebound from head of Morehead fullback.

GOLDEN EAGLES WING WAY

Coach Rich Meckfessel, West Virginia Sports Writers Association's Coach of the Year, ponders the outcome of the championship W.V. I.A.C. game as his starting five move into the spotlight on the court before the clock begins.

With a new fight song to back the Golden Eagles, the Maroon and Gold got off to a roaring start on their third flight to Kansas City. This year under Coach Rich Meckfessel, the Golden Eagles came back even stronger than last year, establishing the best four year, three year, two year, and one year records of any team in the past.

However, the later defeat of Marshall, 86-79, paved the way for a final 14 game winning streak, including the defeat of State, 97-87.

In the Quincy Holiday Tournament the Eagles defeated Oklahoma Baptist, and Upper Iowa, only to lose the final game to St. Benedict's.

Mike Curry goes up to gain control of the tip.

TO KANSAS CITY AGAIN

M.H.C. wrapped up first place in the Conference by defeating Salem 79-77. In their final game, the Eagles beat Davis and Elkins 132-70. This score established a new school record for the highest score in a single game. Roger Hart went all out that night and scored 53 points. Thus, the Eagles entered the WVIAC Tournament with an overall 22-3 record.

The Eagles defeated West Liberty in the first Tournament game 81-68, and then took Wheeling 91-79, setting us up against Fairmont for the title game. Coach Meckfessel and his team were determined not to repeat last year's events as they beat the courageous Falcons 98-84.

Morris Harvey walked away with the Tournament trophy and placed three men on the All-Conference team. "We're Number One!" echoed through the Civic Center as the Golden Eagles winged their way to Kansas City for the NAIA Tournament.

Bob Plybon goes in for the lay-up as his defender fouls him in a vain attempt to block the shot.

MHC team members watch from bench as Ron Null is fouled going up for two and Roger Hart passes into the middle of a play pattern.

Lucky No. 10 Jim Hayes takes rebound and puts it back up for two.

Rebounding team of Martin and Curry come down with another ball.

Bill Robinette elbows his way in for a loose ball. Prior to game time, Eagles take a look at their opponents.

Senior Roger Hart, Junior Gerald Martin, and Sophomore Jim Hayes gain trophies as members of the All-Tournament team. Golden Eagles warm up before facing the opposing team.

Leading scorer on the squad was Spike Conley with a 19.9 average for the season. Steve Quinn, 6'5" sophomore, led the team in the rebounding department, pulling down an average of 15 per game.

This year proved to be a first in many ways for the cheerleaders. Last spring the Golden Eagles went to bat in Watt Powell Park under their new coach, Tom Kinder, who brought the team to a 6-11 record at the close of the 1966 season. The team showed excellent potential, however, for it was made up mostly of promising freshmen and sophomores.

The 1967 season finds 13 lettermen returning to the line-up in addition to six new scholarship players and 11 other men.
